

**Early Literacy Tip -- Reading:**

When we help children engage with the story, we help build their love of books, which helps them be motivated to learn to read when they start school.

**Bonus Activity:**  
Read a story with repeated phrases and ask your child to help you “read” those parts.

Visit [DaybyDayVa.org](http://DaybyDayVa.org) or ask at the library for more ideas of activities that promote early literacy skills.

- If you read to more than one child at once, the book can be included on each sheet.
- If you read the same book to the same child more than once, you can color in a square each time.
- Include books read to your child by anyone -- older siblings, grandparents, childcare providers, storytime librarians.
