**Early Literacy Tip -- Singing:**

When we sing with children, we help focus their attention. The music and rhythm help children remember words, building their vocabulary.

**Bonus Activity:**  
Play with words by changing a few words in a familiar song. For example, you could try changing the words of the "Itsy Bitsy Spider" to the "Great Big Spider."

- If you read to more than one child at once, the book can be included on each sheet.
- If you read the same book to the same child more than once, you can color in a square each time.
- Include books read to your child by anyone -- older siblings, grandparents, childcare providers, storytime librarians.
