CALL TO ORDER & DISPOSITION OF THE MINUTES OF THE PREVIOUS MEETING

The regular monthly meeting of the Jefferson-Madison Regional Library's (JMRL) Board of Trustees was convened **VIRTUALLY WITH NO TRUSTEES PHYSICALLY CONGREGATED** on Monday, May 18, 2020 at 3:00 PM using videoconferencing software. President McDuffie read into the record a "Resolution adopting the procedures for public meetings under Nelson County's ordinance to ensure the continuity of government during the Covid-19 disaster and Governor's amendment to the budget bill." (See attached pages; and find original original text of ordinance here: http://www.nelsoncounty-va.gov/wp-content/uploads/Signed-Emergency-Ordinance-2020-01-1.pdf) Trustee West moved to adopt the resolution, and the motion passed unanimously. The minutes for the February 24, 2020 Board Meeting were approved unanimously.

ANNOUNCEMENTS AND PUBLIC COMMENTS

The Trustees thanked staff for their continued work during Tier 5. Vice President Craig reported that Louisa Manager Payne had been sending books to school children through the local lunch program. Mr. Townsend thanked Director Plunkett and library staff for "keeping the lamps burning."

TRUSTEE CONTINUING EDUCATION

None.

NEW BUSINESS

1. COVID-19 and JMRL Update

Director Plunkett reported on the five-tier process used to shut down JMRL in March. JMRL will move to Tier 4 on May 26, 2020, with the eventual goal to move to Tier 1 in tandem with State regulations. Tier 4 will include limited curbside service, mandatory cloth masks, staggered staffing, and social distancing.

2. Officer Nominations

Trustee Mullen asked the Trustees to consider who they would nominate, and clarified that both the President and Vice President were willing and able to serve another term. Ideally, the vote will take place in June 2020.

3. Lift Every Voice Grant

In keeping with grant procedures requiring a vote on accepted grants, Director Plunkett requested a vote on the Lift Every Voice grant, spearheaded by Librarian Birckhead to support African-American poetry. <u>Trustee Woolfork moved to accept the grant; the motion passed unanimously.</u>

4. Vacation/Sick Leave Carryover Discussion

Trustee Kulow voiced her support for the decision to bypass carryover conversion of vacation leave going into FY21, with resumption of typical carryover conversion to take place when closing FY21 and opening FY22, as well as the decision to leave the implementation in the hands of administration and management.

5. Discussion of JMRL's Fines and Fees Schedule (4.225), Schedule of Library Closings (5.4)

Vice President Craig moved to adopt Fines and Fees Schedule (4.225) and the Schedule of Library Closings (5.4); the motion passed unanimously.

6. Discussion of FY20 Board Schedule

After a brief discussion, <u>Trustee Harris moved to retain the December 28, 2020 Board Meeting and move the Director</u> <u>Evaluation to the January 25, 2021 Board Meeting. The motion passed with all Trustees voting yes excepting Trustee Mullen,</u> <u>who voted no.</u>

COMMITTEE APPOINTMENTS AND REPORTS

None.

OLD BUSINESS

1. Reading of Policies 4.7 (Computer and Internet Access), 5.1 (Meeting and Conference Rooms), and 5.5 (Photography, Audio and Video Taping in Library Facilities)

Trustee Mullen read revised Policies 4.7 (Computer and Internet Access), 5.1 (Meeting and Conference Rooms), and 5.5 (Photography, Audio and Video Taping in Library Facilities) to enable a vote at the June 22, 2020 Board Meeting.

2. FY21 JMRL Budget Discussion

Director Plunkett reported that in FY21 there will be no 2% increase to staff wages, but the 1% raise to the payscale will take effect, including any effect this has on year three of the compression adjustment, which will also take effect. Albemarle County passed its budget, but the other jurisdictions, including the City, have not yet passed theirs.

3. Review of Library Director FY20 Goals

Director Plunkett reviewed his three prioritized objectives: the customer service committee and statement will be brought before the Board at the June 22, 2020 meeting; the expansion of Nelson Memorial Library, for which physical materials had arrived, but the fund match amount had not been met; and the website redesign plan, which had been delayed because of Covid-19 and website efforts redirected to enable online library card registration.

LIBRARY DIRECTOR'S REPORT

Director Plunkett reiterated his thanks to all that staff had been doing during Tier 5 in dedication to JMRL's mission. He thanked Trustee Mullen for bringing the Equity Challenge to his attention. The Summer Reading Program will still take place, though largely virtually. All regional summer programs will also transition to remote and virtual platforms. Peter Manno and the Friends of the Library have been instrumental in distributing food and books; additionally, not having the expected revenue from the Spring Booksale, they are looking for financial support from the endowment.

OTHER MATTERS

Trustee Kulow asked President McDuffie to send a letter to each newspaper in the jurisdictions on behalf of the Board in order to reiterate Trustee support for staff and inform the readership of JMRL services. Director Plunkett reported that the third-floor renovations at Central Library rendered it unfit for public access, in which state it would remain until the middle of June 2020; consequently, Central may not move in lockstep with other branch libraries during Tier 3.

FUTURE AGENDA ITEMS

Future agenda items include: a discussion on renaming the McIntire room at Central Library (postpone until in-person discussion is possible); votes on Policies 4.7 (Computer and Internet Access), 5.1 (Meeting and Conference Rooms), and 5.5 (Photography, Audio and Video Taping in Library Facilities); a vote on the FY21 Budget; an update on the Covid-19 response; a vote on Board Officers for FY21; and Director Plunkett's midyear evaluation. The next Board Meeting will take place on June 22, 2020 with the meeting format and location to be determined.

ADJOURNMENT

Trustee Harris motioned to adjourn the meeting. The meeting adjourned at 4:17pm.

MEETING AND CONFERENCE ROOMS

MEETING ROOMS

The Jefferson-Madison Regional Library welcomes groups (more than two people) to use its meeting rooms for civic, cultural, and educational activities and for discussion of current public questions. The meeting rooms are available for use during hours the Library is open on equal terms to all groups in the community, regardless of the beliefs and affiliations of their members, provided that the meetings are open to the public. The fact that a group is permitted to use a room does not in any way constitute an endorsement of the group's policies or beliefs by the Library. All literature and publicity regarding meeting room activities must clearly identify the sponsor(s). Where access to a meeting room is independent of the Library, restricting hours to when the Library is open does not apply. Meeting room use requires completion of a JMRL Meeting Room Registration form (JMRL Form: Section 5.1) by an authorized group/organization representative with a valid JMRL library card.

Library and Library-sponsored activities have first priority in scheduling; and, thereafter, the rooms are available for informational public gatherings. If a party reserving a meeting room does not arrive within 15 minutes of the scheduled reservation time, library staff may make the room available to other users. When not in use, rooms may be available to individuals on a first-come, first-served basis for up to 3 hours per day. The rooms are not available for programs involving the sale, advertising, or promotion of commercial products or services, regardless of purpose, except programs of Jefferson-Madison Regional Library, Friends of Jefferson-Madison Regional Library, the Virginia Library Association, the Virginia Festival of the Book, or the Jefferson-Madison Regional Library Board of Trustees, at which programs performers/presenters are permitted to sell sound recordings, videos and books related to their performance/presentation. Library staff shall not be involved in such sales in any fashion.

Solicitation is not permitted in meeting rooms; however, local offices of Voter Registration and/or their designees may use library facilities to encourage voter registration.

The Library Director or Branch Manager may, upon application in writing, extend meeting room use beyond regular library hours. Such extensions may require that janitorial service fees be paid by the group or organization using the room.

Meetings or classes held in library meeting rooms must be open to the public free of charge. Fees to cover only the cost of materials and supplies may be charged by publicly-funded institutions and accredited educational facilities.

Guidelines for the use of the meeting rooms in each facility are available.

CONFERENCE ROOMS (NORTHSIDE LIBRARY)

The Jefferson-Madison Regional Library welcomes individuals and small group to use the Library's conference rooms. The conference rooms are designed to meet the needs of Library users who want to work individually or in small groups for limited periods of time. The rooms are not available for social gatherings and are not intended for the conduct of daily business or regular "office hours."

Conference rooms may be reserved in advance for a single block of time of up to 3 hours. At the conclusion of the first 3 hours, users may reserve an additional block of time, up to an additional 3 hours, if a room is available. When not reserved or in use, rooms may be available on a first-come,

first-served basis with the same time limits.

A valid JMRL library card shall be required to check out a conference room key. While in use, conference room doors must remain unlocked and windows may NOT be covered.

Covered drinks and dry snacks (e.g., food generally dispensed in vending machines) are permitted in conference rooms, but hot foods are prohibited.

Individuals and groups may not store personal belongings or supplies in conference rooms.

The following rules for the Library meeting rooms also apply to conference rooms:

- 1. The Library does not endorse the policies or beliefs of anyone using the rooms.
- 2. Library and Library-sponsored activities have first priority in scheduling.
- 3. If a party reserving a meeting room does not arrive within 15 minutes of the scheduled reservation time, library staff may make the room available to other users.
- 4. The rooms are not available for the sale, advertising, or promotion of products or services.
- 5. Solicitation is not permitted, except by local officers of Voter Registration to encourage voter registration.

Guidelines for the use of conference rooms are available.

PHOTOGRAPHY, AUDIO AND VIDEO TAPING IN LIBRARY FACILITIES

To safeguard the privacy and safety of library patrons, the use of photographic and audio or video recording equipment (including still cameras, movie cameras, video cameras, and cell phone cameras) is prohibited inside library facilities without the prior approval of the Library Director, Branch Manager, or their designee(s). Once approved, use of photographic and audio or video recording equipment must be used in a manner that avoids inadvertent photographing or recording of library patrons or the library materials they are using. Anyone photographing or recording adults must have prior approval from the subject; anyone photographing or recording a child (under 18) must have prior approval of the child's legal guardian.

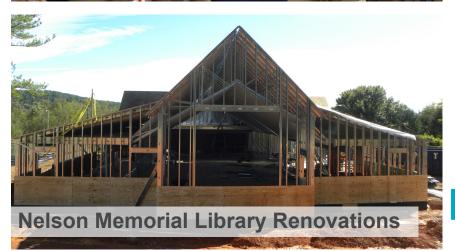

Library staff or their designee(s) may photograph or record library patrons or programs solely for official library purposes such as news, public relations, or archival purposes. In such cases, if the subject is identifiable, Library staff must obtain prior written approval from the subject or, in the case of a child, a legal guardian (JMRL Form 5.5). The Library reserves the right to terminate any photography or recording that causes a disturbance, violates Library policies, or endangers the health and safety of participants, Library patrons, Library staff or volunteers.

To maintain a safe and secure environment for its staff and patrons, the Library Board equips some library facilities with video cameras that are recording at all times. The library's video security system shall be used only for the protection and safety of patrons, employees, assets, property, and to assist law enforcement. Reasonable efforts shall be made to safeguard the privacy of patrons and employees. Video cameras shall not be positioned in areas where there is a reasonable expectation of personal privacy such as restrooms or employee break rooms. The video security cameras will be positioned to record only those areas specified by the Library Director or Branch Manager, and will complement other measures to maintain a safe and secure environment in compliance with library policies. Only the Library Director, Branch Managers, or their designees are authorized to operate the video security system. Access to video records shall be limited to authorized employees, for authorized purposes only. Images from the library video security system are stored digitally on hardware in the library. It is the intent of the library to retain all recorded images for approximately 30 days. Typically, images will not be routinely monitored in real-time, nor reviewed by library staff, except when specifically authorized by the Library Director, Branch Manager, or other authorized employee. Any records produced by the video security system shall be kept in a secure manner and managed appropriately by the library to protect legal obligations. Only the Library Director shall be authorized to release any video record to any third-party other than law enforcement.

JMRL PROPOSED BUDGET FY21

JEFFERSON-MADISON

REGIONAL LIBRARY

Revised Proposed Library Budget for Fiscal Year 2020 – 2021

The Library's Mission: *JMRL fosters personal growth and life-long learning for all by connecting people with ideas, information, and each other.* [Adopted by the Library Board, July 2019]

Charlottesville, Albemarle, Greene, Louisa, and Nelson have seen many changes since JMRL's initial proposed budget for FY21. In the midst of the COVID-19 pandemic, local governments, individuals, and community organizations have all worked together to provide support for one another and to build lasting relationships that will help to see everyone through these difficult times. Sacrifices are being made by all. Originally budgeted plans for library service in FY21 have been scaled back. Additional hours planned for the Northside Library will have to be put on hold for the immediate future. Library staff will not receive the originally budgeted raises that they earned through their dedication and service. Still, JMRL is able to enter FY21 with plans to provide the same excellent level of service that this community expects and deserves, despite the current pandemic and the belt-tightening it demands. This is entirely due to the strong support of reading and learning that the people and local governments in Charlottesville, Albemarle, Greene, Louisa and Nelson have.

Last year was a banner year for library service to the citizens of Charlottesville, Albemarle, Greene, Louisa, and Nelson. In FY19 JMRL's libraries had over 1.1 million visitors and checked out over 1.7 million items. Over 95,000 people used a library computer during the last fiscal year, and there were over 100,000 wifi sessions. Thanks to the support of Louisa County, two additional service hours per week were added to the Louisa County Library. In addition to heavy use of the library's book collection, local residents make good use of the library's programs, especially the summer reading program. Last year JMRL provided just under 3000 programs that were attended by over 100,000 people. Funding for library programs is provided by the Friends of the Library.

The proposed library budget for FY2021 was developed by the Library Board of Trustees and library staff based on the goals and objectives articulated in JMRL's Five Year Plan (www.jmrl.org/pdf/ab-5YearPlan.pdf). The library budget was discussed at several open public meetings held October through December 16, 2019. The budget was adjusted in response to COVID-19 in March and April of 2020. The Library Board plans to adopt the final library budget in June of 2020. Questions or comments about the library's budget or Five Year Plan may be directed to David Plunkett, Library Director, 201 East Market Street, Charlottesville, VA 22902, or dplunkett@jmrl.org.
